► Member is Contractor Company that has paid the current 16-17 Membership dues.

Transcript – Must be attached from the educational facility previous training was received. This transcript will be compared to IEC-Dakotas curriculum and determination will be made. A student may or may not take a full year of study in an area.

Missing areas of study within IEC Curriculum required, student will buy required books for that area, do the determined study via the on-line system and then move on to the IEC Curriculum study. A student may complete this training faster than if in a classroom, due to their previous study. It would be to the student's advantage to take the challenge exam(s) if questionable.

Additional Transcript information sent due to first submittal incomplete - \$50 additional fee each time new items submitted.

Challenge Exam – Must be taken prior to July 29, 2016 for the 16-17 Fall Registration class.

- a. Student with transcript – challenge exam based on determination of transcript as compared to IEC curriculum.
- b. Training Only – challenge exam beginning with Year 1.
- c. Cost of Exam - \$50/semester/year – due with this Registration . Exam will be administered via the on-line system and is based on the 2014 NEC.
- d. If all information requested is not completed, student will not be registered for challenge exam – IEC will not be responsible for incomplete registrations. IEC will NOT hold registrations. IEC will not respond to incomplete applications.
- e. **Refund – None – once requested – charge is applicable.**
